

From San José or Juan Santamaría Int. Airport

Take the panAmerican highway (1) north/west to the intersection with highway (18) (100 km from the airport). Turn left and follow (18) west/south 41 km bearing right at the fork and over the "Friendship bridge" to (21). Turn right on (21) and drive northwest 12 km to the signed road into Nicoya, turn left, pass through the town center, and continue towards Samara on the paved secondary road (officially designated (150), but you won't see it signed). At the T intersection where you appear to dead end into a small mercado turn right to continue on (150). 25 km after Nicoya there is a Castrol service station (bomba) on the left (fill up here, it's the last reasonably priced fuel). 200 meters past the station turn right on the dirt road signed for Nosara, Garza, and BarcoQuebrado.

Follow the right fork (and sign for Safari Surf School) at Barco Quebrado, continue through Garza, and Esperanza (you're officially on (160), but again no signs). About 4 km before "Nosara town" you'll see Coconut Harry's, then the Cafe de Paris hotel & restaurant on your left. Immediately after the café turn left on the dirt road signed for Playa Guiones. The Safari Surf School headquarters is in the Casa Tucan hotel 500 meters along the beach road on the right (past the Nosara Surf Shop).

From Daniel Oduber (Liberia) Int. Airport

Turn right (southwest) toward the beaches on (21) at the airport exit. Continue south 60 km to the signed road into Nicoya, turn right, pass through the town center, and continue towards Samara. Once you reach Nicoya see above.
